Docket No. 98N-1265 675 '99 APR 28 P2:18  
Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I find taking away necessary  
medications from women, disturbing,  
its extremely needed to balance women's  
bodies, almost like taking away insulin  
from a diabetic. I speak alone  
without my hormones I cannot function  
properly.
